

The Leading Manufacturer in China

PVP & PVPP

建华南杭化工有限公司
JH Nanhang Industrial Co.,Ltd

Our goal is to supply the best quality products that satisfy regulatory requirements as well as providing the customer with sincere service and competitively priced products.

JHNH is the leading PVP manufacturer in China with the annual production capacity of 5,000MT. We are backed by the financially strong JianHua Group.

Our manufacturing plant in Quzhou meets all international standards for quality and safety, including C-GMP, ISO 9001 and ISO14001. We hold several regulatory certificates including KOSHER, HALAL, ALLERGEN, BSE etc. Our products for pharma conform to USP/EP/JP and DMF's are available.

JHNH products are sold around world by a dedicated group of technical professionals. For details of your local contacts, please get in touch with our sales office in SHANGHAI.

In summary, JHNH serve its customers with high quality products, manufactured to international standards with strong technical service and responsive customer care.
